

## Autumn Two: A journey through time!

### Exciting Events:

- 1950s and 60s day
- End of term 'Big Quiz'
- Christmas performance
- Muslim visitor

## English

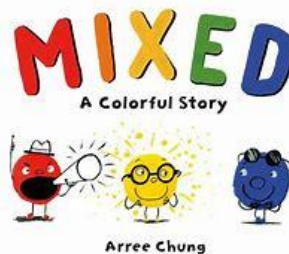

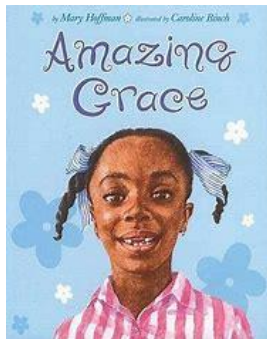

**We will be learning to (click [here](#) for further info):**

- use commas to separate a list of nouns.
- write expanded noun phrases to add extra description.
- identify adjectives

**We will be writing:** a diary, instructions, information linked to our History Topic

### **English and Guided Reading Key texts**

Amazing Grace  
Mixed

## Year 2 Autumn Term Two Overview

We are continuing our school year with the theme – A Walk Through Time! Across the school, our children will be captivated as they learn about amazing people from a different era in time and how their lives differed from the lives we lead today. We will undertake studies into the stories our era told and how their triumphs or falls have affected us today.

## Mathematics

**Our main objectives this term:**(Click [here](#) for more info).

- **Subtraction-** Using known facts and mental methods to solve problems with 2 digit numbers
- **Multiplication** – understanding multiplication and representing it in different ways
- **Geometry-** identify, describe, compare and sort 3d shapes

## History

**Key question: Why did Rosa Parks refuse to move?**

We will be learning about:

- 1950's/60s life to ours now
- What was life like in segregated America?
- What happened to Rosa Parks and why were her actions important?

## Physical Education

### We will be learning:

**Football skills involving:** control of the ball, dribbling (moving) with the ball, passing and receiving the ball, teamwork, using the width of the field and shooting the ball.

**Athletics skills involving:** to hurdle, jump and throw effectively; to develop knowledge of how they can use their body to maximise performance.

## Science

We will be building upon last terms learning about materials by investigating the properties of different materials. We will learn about Charles Mackintosh and how his discovery has changed people's lives. (click [here](#) for further info):

## Music

We will be learning to (Click [here](#) for more info):

- Learn and perform songs in our Christmas play.

## Computing

We will be learning to (Click [here](#) for more info):

- Develop skills in using technology to present information using PPT.

## Religious Education

**Key question: What is important to Muslims? (Click [here](#) for more info)**

We will continue to learn about the Muslim faith and focus on the importance of the Qur'an. We will also learn about Christmas as a Christian festival.

## Art

**Featured artist  
Ton Schulten  
(Click [here](#) for more info):**

We will continue to learn about colour mixing, extend this by mixing with white to make tints and mixing with black to create tones. We will paint a landscape watercolour picture in this style.

## Personal development

**Valuing differences –**  
We will be learning what makes us who we are, about special people to us, how we make others feel, when someone is left out, an act of kindness and solving problems we might encounter at school.
