The Little Match Girl  
Farther

**English and  
Guided Reading**

## Year 3 Autumn Term Two Overview

We are continuing our school year with the theme – A Walk Through Time! Across the school, our children will be captivated as they learn about amazing people from a different era in time and how their lives differed from the lives we lead today. We will undertake studies into the stories our era told and how their triumphs or falls have affected us today.

## Mathematics

**Key concepts: Geometry, Multiplication and Division, Addition and Subtraction (Mental Methods)**

**(Click [here](#) for more info). Our main objectives this term:**

- Recall and use multiplication and division facts for the 3, 4 and 8 Times Table.
- Add and subtract numbers using a range of mental methods.

## History

**Key question: How would it have been different to live as a child in Victorian Times?**

**(Click [here](#) for our knowledge organiser):**

We will be learning about:

- What life was like in Victorian Gloucestershire.
- The life of Queen Victoria.
- Who was Gustav Holst?

## Physical Education

**We will be learning to (Click [here](#) for more info):**

- Develop an understanding for the rules of Tag Rugby.
- Health Related Exercise: understand about our heart, our diet and learn about muscles.

## Science

**We will be learning to (click [here](#) for further info):**

- Explore light
- Recognise the importance of light and dark.
- Reflection and shadows.

## SCARF

**We will be learning to (click [here](#) for further info):**

- Valuing difference
- Use respectful language
- Understand diversity in families
- What does community mean?

## Art

**Featured artist (Click [here](#) for more info):**

**L S Lowry**

We will be learning to draw/paint Lowry style figures and create a watercolour piece of work with the school as a background using different sized paint brushes.

## Music

**We will be learning to (Click [here](#) for more info):**

- We will be spending time practicing our Christmas play and learning the songs for our performance.

## Computing
