Key texts for English and Guided Reading

The Rain Player by David Wisniewski

Professor Astro Cat
Frontiers of Space

Year 5 Autumn Term Two Overview

We are continuing our school year with the theme – A Walk Through Time! Across the school, our children will be captivated as they learn about amazing people from a different era in time and how their lives differed from the lives we lead today. We will be undertaking studies into the stories our era told and how their triumphs or falls have affected us today.

Mathematics

Key concepts: Fractions, Decimals and Percentages; Geometry – Properties of shape and the 4 operations. (Click [here](#) for more info). Our main objectives this term:

- Addition and Subtraction
- Multiplication and Division – Properties of Number
- Multiplication and Division - Powers of 10
- Geometry of Shape

History

Key question:
