

Dear Parents/Carers,

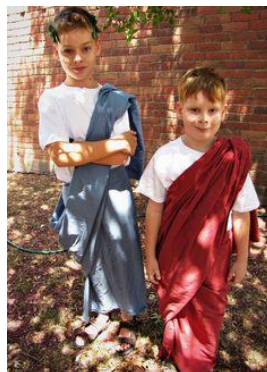

As I'm sure you're aware, our main topic focus for this term is history. The children have had a fascinating time so far learning about people and significant events from the past.

As part of our celebration of learning we will be holding a Y1-Y6 History Day on Wednesday 23rd October. We are asking that every child dresses in clothing that reflects the time period that they have studied. Here is a list of the time periods studied:

Reception	Bonfire Night
Year 1	Great Fire of London
Year 2	The Titanic
Year 3	Stone Age
Year 4	Greeks
Year 5	Anglo-Saxons
Year 6	World War Two

From 2.30pm to 3pm, relatives will be invited into the school to come and see our Living History Museum.

Here are some simple ideas for how to dress your child in suitable clothing for the day. We are not asking for parents to buy expensive costumes for the day. We simply want to create a memorable experience in your child's education. There are lots of suggestions online about how to use bed sheets or oversized t-shirts for togas. We would strongly recommend that your child does wear a t-shirt and a pair of shorts under their toga (if that's what they choose to dress up in) so that they remain warm and comfortable.

Mr Adsett and Mrs Stewart

Team Year 4
