Stone Age Boy  
Stone Age Bone Age

## Year 6 Autumn Term One Overview

We are kick starting our school year with the theme – A Walk Through Time! Across the school, our children will be captivated as they learn about amazing people and events from a different era in time and how their lives differed from the lives we lead today. We will undertake studies into the stories our era told and how their triumphs or falls have affected us today.

## Mathematics

**Key concepts: number, place value, geometry and properties of shapes.**

**(Click [here](#) for more info). Our main objectives this term:**

- Reading and partitioning 3 digit numbers
- Counting forward and back in tens and hundreds.
- Identify and draw horizontal, vertical, parallel and perpendicular lines
- Draw common 2D shapes

## History

**Key question:** How did life change for early humans in The Stone Age, Bronze Age and Iron Age?

**(Click [here](#) for our knowledge organiser):**
