

SVPS Headlines

We receive numerous emails on a weekly basis from local residents who are claiming that their drive ways are being blocked. Local police have been informed and will be randomly checking where people are parking. Local residents are also reporting any vehicles. Please can all parents think about where they are parking at drop off and pick up.

In celebration of Pancake Day, our school kitchen will be providing pancakes for dessert for any children ordering a school lunch on Tuesday 4th March.

After School Clubs and Y5/6 Walkers

Now it is getting lighter again children from Y5 & Y6 **with permission** can walk home by themselves. They will need to have a form filled in order for them to walk home after an after-school club.

World Book Day 2025

Thursday 6th

**Wear something
Comfy**

&

**Bring a book you
love to read
throughout the day**

Swindon Village Primary School

Painting Volunteers

A huge thank you must go to the volunteers of Ontic. They came in last week and redecorated the Reception classrooms, Y1,2,3,4 toilets. It is all looking lovely with the fresh lick of paint.

Young Voices

Our Choir represented SVPS at Young Voices last night at Resorts World in Birmingham. They were part of a phenomenal choir of approximately 4,800 children and the atmosphere was electric.

The children were a credit to the school and were very well behaved.

Thanks to parents who travelled to watch, and also the staff and volunteers who accompanied the children. We hope everyone enjoyed the show as much as we did, and there aren't too many bleary eyes today! 😊

With lots of illnesses doing the rounds at the moment, we have been asked to remind everyone about Pharmacy First, which is a service that can be used rather than going to see your GP:

Most pharmacies can help you with **seven common conditions** without needing a GP appointment

- **Sinusitis**
(adults and children aged 12 years and over)
- **Sore throat**
(adults and children aged 5 years and over)
- **Earache**
(children and young adults aged 1 year to 17 years)
- **Infected insect bite**
(adults and children aged 1 year and over)
- **Impetigo**
(adults and children aged 1 year and over)
- **Shingles**
(adults aged 18 years and over)
- **Urinary tract infection**
(women, aged 16 to 64 years)
