On 5th March, our Girls' Football A Team represented Cheltenham Town FC in the regional finals at Swindon Town. They had an amazing day; in the morning they were in the skill dome, and then met a Swindon Town ladies' player who gave a talk about equality and diversity and her journey into football. The afternoon was full of group matches against Plymouth, Exeter, Cardiff, Oxford and Bristol. They finished top of their group, which put them into the semi-finals against Swindon Town. This was a very close game, which went to extra time and then penalties. Unfortunately, we lost by 1 penalty. We were then in the 3rd place play off, which didn't go our way. Many chances on goal for us, the opposition put us under pressure and we couldn't stop them scoring. We finished 4th out of 13 regional/southwest teams, and they should feel very proud of their achievements. SVPS and Cheltenham Town FC are very proud of them. Well done to Arabella, Aaliyah, Laura, Niamh, Rosie, Harriet, Mia and Zofia. Mrs Brown thinks you are amazing!

On Wednesday 4th March, our A and B Team boys played St Gregory's. The A Team had a very strong opposition and worked very hard as a team.

Unfortunately, they were unable to stop their super strikers from scoring, but didn't give up and they kept trying right to the end.

The B Team also played very hard and were able to secure a 9-5 win against St Greg's B team. Thanks to all the parents and grandparents for coming to support. Thanks to Mr Bailey who helped with the B team. Whether you win or lose you should always feel proud representing your school. Well done to; Freddie, Henry, Kaelym, Michel, Cruz, Nathan, Ethan, Isaac, Ryan, Oli, Robert, Alfie, Max, Rafa, George, Brooklyn, Archie and Chen.

With lots of illnesses doing the rounds at the moment, we have been asked to remind everyone about Pharmacy First, which is a service that can be used rather than going to see your GP:

Most pharmacies can help you with **seven common conditions** without needing a GP appointment

- **Sinusitis**
(adults and children aged 12 years and over)
- **Sore throat**
(adults and children aged 5 years and over)
- **Earache**
(children and young adults aged 1 year to 17 years)
- **Infected insect bite**
(adults and children aged 1 year and over)
- **Impetigo**
(adults and children aged 1 year and over)
- **Shingles**
(adults aged 18 years and over)
- **Urinary tract infection**
(women, aged 16 to 64 years)
